Default view of school website when accessed using smartphones

^ Due to the smaller screen size, the items on the navigation bar are hidden and replaced with this menu icon.

Clicking on the menu icon will cause the following to appear:

The navigation experience for the primary and secondary section webpages are similar to the full school section.

**New:** After viewing a webpage in one section, if you wish to navigate to the other section(s),

(1) Click on the school logo to return to the landing page for the section you are currently in,

(2) Then click on the links below the banner photo to go to the other landing pages.
